## Declaration for California Proposition 95

Dear Customer,

For the articles of Belden Deutschland GmbH we can give following statement:

To the best of our knowledge, none of the substances mentioned in the California Proposition 65, with the exception of lead, are included in this article. Under normal conditions of use, the lead does not free up from the product. Please note, however, that up to 3% lead may be present in the contact elements. This contacts are not intended to be touched by the users, so we exclude oral absorption of lead and have not marked the products, which are intended for commercial use, only.

This information is based on the valid Prop 65 chemical list as of the date of this letter.

Best regards

**Belden Deutschland GmbH**
